**Without Marketing
Nothing Happens.**

Members,

We are pleased to present this updated roster of our professional membership. Our chapter has over 300 members including a strong base of students interested in the study and practice of marketing and an emerging St. Charles division. We hope you will use this resource for access to contacts and information. It is a member benefit and a tool designed to bring us together as we apply the principles of our profession.

Membership has its priveledges and we encourage you to take advantage of all our chapter has to offer as well as the nationwide access to professionals in cities near and far. Remember to check in periodically with the website maintained and updated by international headquarters (ih) at www.marketingpower.com for information about conferences, events and resources available to all members all year long. Of course, we hope you will take advantage of chapter events and programs locally as well. This information is regularly posted on our chapter website at www.ama-stl.org.

To keep our chapter strong, we encourage all members to invite associates, colleagues and like-minded professionals intersted in marketing to join the America Marketing Association. The St. Louis chapter of the American Marketing Association is chartered by international headquarters (Chicago) as a comprehensive professional society of individuals dedicated to promoting the practice, study and teaching of all facets of marketing.

Thank you for your ongoing support and commitment to our chapter.
